HOLIDAY CAMPS 2015

BPTA COMPETITION CAMPS

The **BPTA** competition camps are open to all red, orange, green and full ball players who are training in the **BPTA** competition squads from the age of six years upwards, or for players outside of these squads who have been invited to join the camps.

The camps will run from 9am to 3pm with a lunch break from 12-1pm. Players might mix in with the **BLT&SRC** holiday camps where appropriate. The morning sessions will consist of three hours of tennis training including technique and tactics, abc (agility, balance and coordination) skills, footwork and movement patterns, strength and conditioning, video analysis (with parents permission) and lots of fun drills and games. The players will then break for lunch from 12-1pm. This is not included so the players will need to bring a packed lunch with them which they can enjoy in the clubhouse or outside if warm enough. The coaches will be present with the children throughout the lunch break.

The afternoon session will consist of matchplay where all the results will be sent into the LTA and will count towards the players ratings. There will also be lots of fun games in the afternoon where we will use different sports to improve the physical skills of the players. These will include racket hockey, football, dodgeball and swedish handball to name a few.

We try and link LTA competitions to these camps and often run an extra day option where we will travel over to the competition together as a team at the end of the week on the friday or saturday. Please contact me for more information on these days.

BPTA RED CAMPS

The **BPTA** red camps are open to all red players who are training in the **BPTA** red futures or competition squads from the age of 4 to 7 years of age, or for players outside of these squads who have been invited to join the camps.

The camps will run from 10am to 12noon on the indoor court number 4. The main emphasis of these camps is to build confidence within a fun enviroment, whist developing the fundamental sporting skills such as movement, balance and co-ordination. The sessions will also work on improving technique and racket skills, as well as understanding tactics for all the different game situations. There will be lots of fun games that introduce the competitive side of tennis and we will also play some other sports to improve the physical skills of the players. These will include dodgeball, racket hockey, football and swedish handball to name a few.

Please see the dates for these camps below. The weeks highlighted in white are the **BPTA** red camps and the weeks in light blue are the **BLT&SRC** red camps. Players who are training with the **BPTA** should attend the **BPTA** camps if possible but either camp will be fine.
